**BLUEPRINT**  
The Glovely Digestion Model

## Resources

### Books

This illustrated book explores the digestive process in detail along with the other systems of the body:

Macaulay, David. *The Way We Work*. Boston: Houghton Mifflin Company, 2008.

The following book covers many aspects of bodily activities, including a section on the mode of refueling:

Walker, Richard. *The Human Machine – An Owner's Guide to the Body*. New York: Oxford University Press, 2008.

In this book, students can follow Dr. Frankenstein through an exploration of the many parts and functions of the human body including the digestive system:

Walker, Richard. *Dr. Frankenstein's Human Body Book – The Monstrous Truth About How Your Body Works*. New York: DK Publishing, 2008.

### Websites

A student-friendly website which presents an overview of the systems of the body:

"Digestive" *Biology4kids*. Accessed 14 July 2011.  
[http://www.biology4kids.com/files/systems\\_digestive.html](http://www.biology4kids.com/files/systems_digestive.html)

This website contains descriptions of digestion and digestive problems. It includes diagrams and links to various other resource sites:

"Digestive System." *The Nemours Foundation*. Accessed 14 July 2011.  
[http://kidshealth.org/parent/general/body\\_basics/digestive.html](http://kidshealth.org/parent/general/body_basics/digestive.html)

A website that provides a memorable description of what happens to food as it undergoes the process of digestion:

"Your Digestive System." *Discovery Communications Inc.* Accessed 14 July 2011.
