

Resources

Books

A great book with descriptions and artwork that displays how raw materials are used to make various objects:

Slavin, Bill. *Transformed: How Everyday Things are Made*. Toronto: Kids Can Press, 2005.

Websites

A website with information about the history of paper and papermaking. There is also a variety of papermaking crafts with instructions:

"How to Make Paper." *Editors of Publications International, Ltd.* Accessed 14 July 2011.
<http://home.howstuffworks.com/make-paper.htm>

A student-friendly website with garbage facts and solutions:

"Garbage" *Annenberg Foundation*. Accessed 14 July 2011.
<http://www.learner.org/interactives/garbage/intro.html>

The Environment Canada Youth Zone has activities and links to many websites related to the environment:

"Youth Zone" *Environment Canada*. Modified 24 March 2011. Accessed 14 July 2011.
<http://www.ec.gc.ca/sce-cew/default.asp?lang=En&n=87740C94-1>

This website has numerous links to information about the papermaking process:

"Paper Making Processes and Engineering Calculations." *PaperOn*. 2010. Accessed 14 July 2011.
